

Outstanding care and support Yeovil Care Community

Care services are provided by 5-Star Care Home Management Ltd, a division of The Care Home Group

The Care Home Group is building an experienced team of care professionals to deliver an outstanding level of care and support to residents of its care communities through its dedicated care business, 5-Star Care Home Management Ltd.

Our senior team have all gained front-line experience working as care assistants and senior care assistants in a variety of adult care settings, including specialist mental health and dementia facilities.

As Registered Managers and Nominated Individuals for a number of large homes in the south west they have gained invaluable experience spanning more than 35 years managing well-performing residential, nursing and domiciliary care teams and running profitable businesses, achieving full compliance with Care Quality Commission (CQC) and Gold Standards Framework reporting and the requirements of the Health & Social Care Act.

5-Star Care Home Management is growing a skilled team of carers to deliver an excellent level of care, with a clear commitment to providing the training and development to ensure that all our care communities achieve outstanding CQC compliance.

Head of Care Operations /
Nominated Individual: **Sam Hansford**

Sam has many years' operational experience within the care sector, with a number of Registered Manager and other senior roles within residential and specialised care homes in the south west, as well as being Deputy Chair of the Dorset Care Homes Association. With experience of working with both large corporates such as Care South and smaller family-run businesses, Sam works closely with all of our care communities and is responsible for maintaining their CQC compliance and upholding an excellent service for residents of our care studios.

Registered Manager: **Kelly Mitchell**

Kelly has many years experience in a variety of Registered Manager, Nominated Individual and other senior adult and elderly care roles in residential, domiciliary and dementia homes across the south west, for large providers such as Park House Care (UK). Kelly also has experience as an NVQ Health & Social Care Assessor/Trainer. Kelly will be the Registered Manager of Yeovil Care Community and responsible for the day-to-day delivery of outstanding levels of care, community engagement, recruitment and training.
